MEMORANDUM FOR RECORD

SUBJECT: Award for the Armed Forces Service Medal (AFSM)

1. Authority:

- a. AR 600-8-22, Military Awards, 5 March 2019
- b. DoD Manual 1348.33, Volume 2, DoD Manual of Military Decoration and Awards – Campaign, Expeditionary, and Service Medals, 8 June 2020
- c. Memorandum, Secretary of Defense, 30 June 2020, subject: Award of the Armed Forces Service medal and Humanitarian Service Medal for Department of Defense Coronavirus Operations and Activities
- d. MILPER Message 20-236

2. The Medical Readiness and Training Command Soldiers, in the attached enclosure, have met the eligibility requirements for the award of the Armed Forces Service Medal – for DOD Coronavirus disease 2019 (COVID -19) operations and activities.

3. The Soldiers of the Medical Readiness and Training Command (MRTC) directly contributed to the success of ARMEDCOM mission to “Kill the Virus”. MRTC responded by directly providing Soldiers in support of this national disaster. We sent Soldiers to various hospitals across the USA. We also serviced and provided equipment like ventilators as needed. We assisted in the USAR mobilizing Soldiers to support the COVID-19 efforts. We provided just in time training to over 600 Soldiers assist the USAR Soldiers in preparation for mobilization.

4. The point of contact for this memorandum is the G1 OIC MAJ Robert A. Olmedo at (210) 808-0563 or Robert.a.olmedo.mil@mail.mil.
